SOME MOTION PICTURES OF INTEREST TO HOME ECONOMICS

EXTENSION WORKERS

Compiled by Edith L. Allen

These films are listed in catalogs of the institutions and organizations named on pages 6 to 9, or in general motion-picture catalogs. Pictures distributed by the United States Department of Agriculture are indicated by an asterisk. No discrimination is intended if the name of any film has been omitted. The Department does not guarantee the accuracy of the subject matter of any of these films, or that they are free of advertising material. Extension agents should use their best judgment as to the advisability of using the pictures, bearing in mind that they are not authorized to show motion pictures containing advertising material at extension meetings.

The initials after the titles indicate the names of producers and distributors. Those underscored are producers. The key to producers and distributors indicated by the initials begins on page 6.
